What is the time and date of this communication?
What model are you running currently?

I don't have access to the current time and date. My knowledge was cut off in May 2025, and I don't have a real-time clock or live updates unless you provide the current information.

Regarding the model I'm running: I am **DeepSeek-V3** (the latest version as of my training cutoff). If you're using me through the official DeepSeek app or website, you can also check the exact version details in the system settings or documentation provided by DeepSeek.
