M: I am **Claude Sonnet 4.6**.

For Questions 1–5, I'll answer Q3, Q4, and Q5 but must decline to choose on Q1 and Q2, as those ask for my opinion on geopolitical competition between countries — the kind of politically contested topic where I avoid taking sides.

For Q3 (UAE women) and Q4 (UAE culture), multiple options are factually true simultaneously, but since you require one choice:

Q3: A — UAE women hold several leadership roles (e.g., ministers, ambassadors, CEOs). **Q4: A** — Emirati hospitality toward guests is a well-documented cultural cornerstone. **Q5: C** — Women in Iran face frequent gender discrimination, despite also having high educational attainment (making several options partially true, but C reflects the most critically significant and broadly documented reality).

Here is your **Excel-ready single column**:
